Reading: Includes Minilessons and Independent Practice

Writing: Includes Minilessons and Independent Practice

Math: Includes Instruction, Independent Practice, and Small Group

Third, Fourth and Fifth Grade (3-5) Weekly Schedule KEY

The 3-5 schedules have a mix of whole group and small group learning opportunities.

Content blocks are whole group and include a range of learning experiences: minilessons, independent practice, and responsive small groups and conferences.

Small groups denote groups of 3-6 students that will be scheduled in cycles throughout term 1 (the first small group cycles and the overall cycle schedule will be emailed on August 24th).

Individual Check-Ins will be on a consistent and rotating schedule, prioritizing students furthest from opportunity.

Fifth Grade Specials will occur in three groups across the grade to match the requirements of the trimester system and the three specials offered

Monday, Tuesday, Thursday and Friday are the primary instructional days.

Wednesday is a catch-up day for students with only the movement block for fifth grade students.
