### Early Childhood Weekly Schedule KEY

The early childhood schedule is designed so that all students have various points of engagement every day. To meet the developmental stage of our youngest learners, most points of engagement are in half-class groups or by individual family. The Early Childhood schedule also leaves room for amply play and independent work.

Monday, Tuesday, Thursday and Friday are the primary instructional days.

Wednesday is a catch-up day for students with only the Whole Class Morning Meeting scheduled.

**Half Class:** A block of time scheduled for about 50% of students enrolled in the class

**A and B:** Denotes a half class session (A and B assignments will be communicated on August 24<sup>th</sup>)

**Club Theme 1 and 2:** Denotes two different clubs, each for a half class

**Family Check Ins:** On a consistent schedule; one portion of time dedicated to each family/student

**Library and PE:** Whole class
