

Field Experience Fee

(due by September 14, 2018)

What is the Field Experience Fee?

The per student field experience fee pays for all of your student's field trips for the school year. You won't be asked to bring \$2, \$5, or \$10 to school every time that your student is going on a field trip. This one-time fee covers tickets and transportation costs.

The field experience fee also pays for in-school performances and educational opportunities presented by third-party experts and local artists, scientists and environmentalists. Last year the fee covered professional dancers to teach during the Mercado and scientists who created clouds and made it snow inside the Wonder Room during Math and Science Day.

How much is the Field Experience Fee?

The field experience fee for grades PS3 through 5th is \$60 per student.

How can I pay the fee?

Visit www.brentelementary.org to pay online or bring a check made out to the Brent Elementary PTA with the names of all your Brent students in the memo line to the PTA lockbox in the front office.

The field experience fee is optional for families who are eligible for free and reduced-price lunch. Families who have other financial considerations are encouraged to contact the front office. The school can also provide an adjustable payment plan upon request.
