

Hello Third Grade Families!

We are excited to begin the 2020-2021 school year with you and are looking forward to seeing some familiar faces and meeting new ones. We know that this summer has been unlike any other in your child’s life in that they have experienced many unknowns. We are hoping that school can once again be a reliable source of joy and discovery for our students, despite the unusual circumstances. Our goal is to work together as a team to help your child grow as a learner while first (and foremost) addressing their social-emotional needs. At the end of this email, there is a link to a family survey where you can tell us about any needs or concerns that are at the front of your mind.

**Schedule**

Below you’ll find your child’s schedule for week one and beyond. We will have live morning meetings and closing meetings every day starting on day one. Our grade level schedule also has small group times across the week. For weeks 1-3, your child will be in the same small group. The attached document titled “Maslin Small Groups” shows your child’s small group assignment. They will be live with a teacher during that small group window.

**Home Visits**

This year, we will be conducting virtual home visits with all 3rd graders through Teams during the first week of school. The purpose of these visits is to get to know each other and talk about any questions or concerns that have come up as we start this new school year together. [Click here to sign up for a home visit time.](#)

Here are some questions we'll be asking in case you'd like to discuss them with your child ahead of time.

- How did you spend your summer?
- Have you read any good books lately? Played any fun games?
- How do you feel/what do you think about school being virtual this year?
- How do you do your best learning? With a teacher? When you can work with a friend?
- What do you want your teacher to know about you?

### **Family Survey**

As we head into next week, we want to get to know you and your family better so we can best address your needs. [Please click here](#) to fill out a family survey to help us understand your experiences and preferences.

Lastly, be on the lookout out for an email later this week sharing more information about Brent's Asynchronous Open House!

### **Helpful To Do List for this week:**

- Sign up for a virtual home visit.
- Fill out family survey.
- Print out (or have available) "Week 1" schedule and "Week 2 and beyond" schedule.
- Print out (or have available) your child's small group assignment.

Here's to a terrific school year!

Warmly,  
Abby Maslin & Donna Girardi-Reed (Focus Teacher)
