

Brent Elementary School PTA Supply Fee **SY20-21**

Save Money and **Time**

Ensures that **all** Brent students
have the supplies they need

The per-student supply fee is collected by the PTA to cover the direct costs of annual classroom supplies, books for classroom libraries, home supply kits and specials supplies. Buying in bulk allows for considerable cost savings on yearly supplies - over 60% savings on some supplies! This program is optional. All students will receive supply kits to start the year. Supply pick-up will occur during the week of August 24, 2020.

This year, Brent is right-sizing this school supply fee and eliminating the field trip fee in response to the current public health emergency. Further, to start the year, each student will receive a home supply kit containing critical supplies for core subjects such as math, reading, writing, social studies and supplies for the special (art, music or science).

Families who are eligible for free or reduced price lunch do not need to participate in the school supply fee program. Families who have other financial considerations are encouraged to contact Brent's main office.

School Supply Fee for SY20-21: \$50 for terms one and two

The classroom supply fee covers all classroom supplies for term 1 and 2 as well as classroom supplies for specials classes. Brent will evaluate supply needs for term 3 and 4 to determine if any additional fees will be requested.

How to Pay

To pay the fee, please visit www.brentelementary.org or bring a check made out to "Brent Elementary PTA" to the main office.
