## Welcome to Brent!

The Brent community extends a warm welcome to all our new families for the 2020-2021 school year. While we can't meet in person just yet, know that we are thrilled to welcome your family to our community.

Please review the new family checklist and the documents in the summer mailing to ensure a smooth transition to Brent. From the new parent orientations to the Brent Buddy program, we will make sure your family has the information needed for a terrific start to the school year.
