3rd Graders Visit the Capitol

To support third grade's study of Washington D.C. and government, third grade legislators visited the U.S. Capitol. In class, students have been learning about the history, architecture, and significance of the Capitol building and how many features of the Capitol building reflect American history. A huge thank you to all of our wonderful chaperones who joined us on our trip. See photos.

Important Note: Please see back page for Jefferson Academy's Open House and Shadow Day Visit Schedule. All Brent families are strongly encouraged to attend an open house.
