**Spring Gala: Countdown Begins to Saturday, April 8!**
The finishing touches to class baskets, student art projects, menus, wine pairings and more are being completed for Brent’s Spring Gala. If you have not purchased tickets, purchase them today as the event does sell-out. For more information about the Gala, visit the Brent Elementary website at www.brentelementary.org.

**Enrollment Season Begins Next Week**
Next Tuesday, every student will receive a re-enrollment folder. All returning families must submit the required enrollment forms and present residency verification documents to the front office by May 1, 2017. Given the large number of families on the waiting list for a seat at Brent, it is important that current families complete this process by the deadline. If you have any questions about the enrollment process, please contact Denise Diggs at denise.diggs@dc.gov.
First Grade Visits Air and Space Museum

First grade scientists traveled to the Air and Space museum to learn more about our solar system! We went to a show called The Stars Tonight, which highlighted several of the constellations we can see each night! We got to look at a few exhibits about our planets as well! See photo on front page.
